

Apergy Corporation to Ring Opening Bell at the New York Stock Exchange

May 25, 2018

THE WOODLANDS, Texas, May 25, 2018 (GLOBE NEWSWIRE) -- Apergy Corporation (NYSE:APY), a leading provider of highly engineered equipment and technologies that help companies drill for and produce oil and gas safely and efficiently around the world, will ring The Opening Bell® at the New York Stock Exchange (NYSE) on May 29, 2018 to celebrate the company's recently completed spin-off and listing on the New York Stock Exchange. On May 9, 2018, Apergy became an independent, public company trading on the NYSE under the symbol "APY".

"We are excited to celebrate our recent spin off, and it is an honor to mark the occasion by ringing the opening bell at the New York Stock Exchange. Apergy has world-class expertise, 18 leading brands, and a strong history of customer-driven innovation in the oil and gas industry. At Apergy, we utilize technology to drive value for our customers, employees and shareholders – and the bell ringing is symbolic of that dedication," said Sivasankaran ("Soma") Somasundaram, Apergy's President and Chief Executive Officer.

Mr. Somasundaram will be joined by members of the senior leadership team and representative employees from the company's global operations. A live feed of the NYSE Opening Bell® (9:26 a.m. ET) can be found at <http://new.livestream.com/NYSE>. Photos and video of the NYSE Bell Ringing Ceremony will also be available, courtesy of the NYSE, on Facebook (NYSE), Twitter (@NYSE and @NYSECam), and YouTube (nysetv1).

About Apergy:

Apergy is a leading provider of highly engineered equipment and technologies that help companies drill for and produce oil and gas safely and efficiently around the world. Apergy's products provide efficient functioning throughout the lifecycle of a well - from drilling to completion to production. The company's Production and Automation offerings consist of artificial lift equipment and solutions, including rod pumping systems, electric submersible pump systems, progressive cavity pumps and drive systems and plunger lifts, as well as a full automation offering consisting of equipment, software and Industrial Internet of Things ("IIoT") solutions for downhole monitoring, wellsite productivity enhancement and asset integrity management. Apergy's Drilling Technologies offering provides market leading polycrystalline diamond cutters and bearings that result in cost effective and efficient drilling.
