## Commercial Talking Points and FAQs

### *Talking Points*

- SLB is looking to acquire us for our strength of our businesses and customer relationships. It is clear from our interactions that SLB sees significant value in our business and we have been impressed with their commitment to maintaining what has made ChampionX so successful.
- SLB recognizes that rod lift, plus the associated digital services focused on production optimization, are a key part of the artificial lift offering and sees a strong future for all lift methods.
- A customer-centric approach is a common feature of both SLB and ChampionX.
  - Combined, ChampionX increases SLB's operational footprint in the U.S. bringing SLB closer to the customer.
  - Internationally, customers will now be able to benefit from ChampionX's leading offering in more than 100 countries.
- In the U.S., SLB will leverage ChampionX customer relationships, operational agility, and fit-for-basin technologies to drive performance.
- SLB believes the close customer relationships that have been developed by ChampionX along with the complementary portfolio of production and reservoir chemicals with reservoir characterization and artificial lift technologies will unlock better production performance and recovery factors that are so important to our customers.

### *FAQ*

#### **1. How will ChampionX be run inside SLB?**

- SLB's intention is to leverage the best aspects of both organizations.
- SLB will preserve the agility and customer relationships in North America, which ChampionX is known for, and maximize the benefit from SLB's market reach internationally.
- A joint integration team from both organizations will focus on this during the course of the next few months leading to closing.

#### **2. Will any existing products of ChampionX be renamed?**

- ChampionX has extensive recognition in the industry for its technology and people, and also has very well-run operations.
- SLB will review the positioning of ChampionX's brand portfolio as part of the integration efforts and ensure any decision properly leverages the brand equity across both ChampionX and SLB.

**3. How will customers benefit from this proposed deal?**

- Customers will benefit from the enhanced portfolio, geographical reach and technology innovation.
- SLB's comprehensive production and recovery portfolio will provide solutions throughout the full lifecycle of the well to increase customer production, reduce overall cost of ownership and lower carbon emissions.
- This will help our global customers drive efficiency and longevity of producing assets.

**4. ChampionX's artificial lift portfolio includes certain products that SLB divested a few years back. Does SLB intend to keep those when the transaction closes or if SLB keeps them, why would they now be of interest?**

- ChampionX's artificial lift portfolio, comprising ESP, Rod Lift, PCP and Gas Lift, is an integrated offering supported by digital capabilities that help customers optimize their lift solutions throughout the life of the well.
- This business is notably different from the businesses SLB divested back in 2020, as ChampionX's integrated offering has strong customer recognition in North America and generates superior margins.
- Post acquisition, SLB anticipates preserving this business and expanding internationally.

**Forward-Looking Statements**

This communication contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, Section 27A of the Securities Act of 1933, as amended (the "**Securities Act**"), and Section 21E of the Securities Exchange Act of 1934, as amended. Such forward-looking statements include statements relating to the proposed transaction between SLB and ChampionX, including statements regarding the benefits of the transaction and the anticipated timing of the transaction, and information regarding the businesses of SLB and ChampionX, including expectations regarding outlook and all underlying assumptions, SLB's and ChampionX's objectives, plans and strategies, information relating to operating trends in markets where SLB and ChampionX operate, statements that contain projections of results of operations or of financial condition and all other statements other than statements of historical fact that address activities, events or developments that SLB or ChampionX intends, expects, projects, believes or anticipates will or may occur in the future. Such statements are based on management's beliefs and assumptions made based on information currently available to management. All statements in this communication, other than statements of historical fact, are forward-looking statements that may be identified by the use of the words "outlook," "guidance," "expects," "believes," "anticipates," "should," "estimates," "intends," "plans," "seeks," "targets," "may," "can," "believe," "predict," "potential," "projected," "projections," "precursor," "forecast," "ambition," "goal," "scheduled," "think," "could," "would," "will," "see," "likely," and other similar expressions or variations, but not all forward-looking statements include such words. These forward-looking statements involve known and unknown risks and uncertainties, and which may cause SLB's or ChampionX's actual results and performance to be materially different from those expressed or implied in the forward-looking statements. Factors and risks that may impact future results and performance include, but are not limited to those factors and risks described in Part I, "Item 1. Business", "Item 1A. Risk Factors", and "Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations" in SLB's Annual Report on Form 10-K for the year ended December 31, 2023, as filed with the Securities and Exchange Commission (the "**SEC**") on January 24, 2024 and Part 1, Item 1A, "Risk Factors" in ChampionX's Annual Report on Form 10-K for the year ended December 31, 2023 filed with the SEC on February 6, 2024, and each of their respective, subsequent Quarterly Reports on Form 10-Q and Current Reports on Form 8-K. These include, but are not limited to, and in each case as a possible result of the proposed transaction on each of SLB and ChampionX: the ultimate outcome of the proposed transaction between SLB and ChampionX, including the possibility that ChampionX stockholders will not adopt the merger agreement in respect of the proposed transaction; the effect of the announcement of the proposed transaction; the ability to operate the SLB and ChampionX respective

businesses, including business disruptions; difficulties in retaining and hiring key personnel and employees; the ability to maintain favorable business relationships with customers, suppliers and other business partners; the terms and timing of the proposed transaction; the occurrence of any event, change or other circumstance that could give rise to the termination of the proposed transaction; the anticipated or actual tax treatment of the proposed transaction; the ability to satisfy closing conditions to the completion of the proposed transaction (including the adoption of the merger agreement in respect of the proposed transaction by ChampionX stockholders); other risks related to the completion of the proposed transaction and actions related thereto; the ability of SLB and ChampionX to integrate the business successfully and to achieve anticipated synergies and value creation from the proposed transaction; changes in demand for SLB's or ChampionX's products and services; global market, political and economic conditions, including in the countries in which SLB and ChampionX operate; the ability to secure government regulatory approvals on the terms expected, at all or in a timely manner; the extent of growth of the oilfield services market generally, including for chemical solutions in production and midstream operations; the global macro-economic environment, including headwinds caused by inflation, rising interest rates, unfavorable currency exchange rates, and potential recessionary or depressionary conditions; the impact of shifts in prices or margins of the products that SLB or ChampionX sells or services that SLB or ChampionX provides, including due to a shift towards lower margin products or services; cyber-attacks, information security and data privacy; the impact of public health crises, such as pandemics (including COVID-19) and epidemics and any related company or government policies and actions to protect the health and safety of individuals or government policies or actions to maintain the functioning of national or global economies and markets; trends in crude oil and natural gas prices, including trends in chemical solutions across the oil and natural gas industries, that may affect the drilling and production activity, profitability and financial stability of SLB's and ChampionX's customers and therefore the demand for, and profitability of, their products and services; litigation and regulatory proceedings, including any proceedings that may be instituted against SLB or ChampionX related to the proposed transaction; failure to effectively and timely address energy transitions that could adversely affect the businesses of SLB or ChampionX, results of operations, and cash flows of SLB or ChampionX; and disruptions of SLB's or ChampionX's information technology systems.

These risks, as well as other risks related to the proposed transaction, will be included in the Form S-4 and proxy statement/prospectus (each, as defined below) that will be filed with the SEC in connection with the proposed transaction. While the list of factors presented here is, and the list of factors to be presented in the registration statement on Form S-4 are, considered representative, no such list should be considered to be a complete statement of all potential risks and uncertainties. For additional information about other factors that could cause actual results to differ materially from those described in the forward-looking statements, please refer to SLB's and ChampionX's respective periodic reports and other filings with the SEC, including the risk factors identified in SLB's and ChampionX's Annual Reports on Form 10-K, respectively, and SLB's and ChampionX's subsequent Quarterly Reports on Form 10-Q. The forward-looking statements included in this communication are made only as of the date hereof. Neither SLB nor ChampionX undertakes any obligation to update any forward-looking statements to reflect subsequent events or circumstances, except as required by law.

#### **Additional Information about the Transaction and Where to Find It**

In connection with the proposed transaction, SLB intends to file with the SEC a registration statement on Form S-4 (the "**Form S-4**") that will include a proxy statement of ChampionX and that also constitutes a prospectus of SLB with respect to the shares of SLB to be issued in the proposed transaction (the "**proxy statement/prospectus**"). Each of SLB and ChampionX may also file other relevant documents with the SEC regarding the proposed transaction. This document is not a substitute for the Form S-4 or proxy statement/prospectus or any other document that SLB or ChampionX may file with the SEC. The definitive proxy statement/prospectus (if and when available) will be mailed to stockholders of ChampionX. **INVESTORS AND SECURITY HOLDERS ARE URGED TO READ THE REGISTRATION STATEMENT, THE PROXY STATEMENT/PROSPECTUS AND ANY OTHER RELEVANT DOCUMENTS THAT MAY BE FILED WITH THE SEC, AS WELL AS ANY AMENDMENTS OR SUPPLEMENTS TO THESE DOCUMENTS, CAREFULLY AND IN THEIR ENTIRETY IF AND WHEN THEY BECOME AVAILABLE BECAUSE THEY CONTAIN OR WILL CONTAIN IMPORTANT INFORMATION ABOUT THE PROPOSED TRANSACTION.** Investors and security holders will be able to obtain free copies of the Form S-4 and the proxy statement/prospectus (if and when available) and other documents containing important information about SLB, ChampionX and the proposed transaction, once such documents are filed with the SEC through the website maintained by the SEC at <http://www.sec.gov>.
